2. Should some serious condition exist that would cause a member to become a liability to the general welfare of the church, including its testimony to the world, the Lead Pastor, Elder Team, Leadership Team and Deacon Team will take every reasonable measure to resolve the problem in accordance with the guidelines given by our Lord Jesus in Matthew 18 in a spirit of love and grace. If it becomes necessary for the church to take action to exclude a member, a majority vote of the Elder Team is required. The Elder Team may proceed to declare the person to be no longer in the membership of the church. All such proceedings shall be pervaded by a spirit of Christian love, kindness and forbearance. These meetings shall be preceded by a time of prayer and fasting as the Elder Team seeks the Holy Spirit's presence, power and guidance in matters of discipline.

ARTICLE II – GOVERNMENT

A. The Headship of Christ

The government of the Church and the authority to govern proceed from Jesus Christ. The government of the Church shall be focused on seeking and maintaining the Lordship and direction of Jesus Christ over the ministry and other Christian activities in which the church is engaged. All those in authority shall continually seek His mind and will, through prayer, His Spirit and the Word of God in all actions and decisions.

B. Human Leadership

Community Harvest Baptist Church will be led by Spirit-filled individuals that meet the spiritual qualifications given in Scripture and who are members that have a passion for the work of Jesus Christ. These individuals may or may not be monetarily compensated for their duties and they will serve on one or more of the following groups: Lead Pastor, Elder Team, Deacon Team and Leadership Team.

C. Lead Pastor

The Lead Pastor is an Elder and chief under shepherd of the church. He shall be the spiritual leader of the Church. He shall lead the church by developing and implementing the church's vision, giving spiritual direction to the church, equipping members for service and teaching God's Word. He may appoint other pastoral and ministerial staff to serve with him in the direction of the church and its ministries. The staff may or may not be compensated for their duties. Compensation shall be determined by the Elder Team in agreement with the Financial Stewardship Team as outlined in II.G.

1. Qualifications of Lead Pastor:

- a. The Lead Pastor shall meet the biblical qualifications given in 1 Timothy 3:2-7 and Titus 1:6-9.

These qualities must be recognized by the church before and during his ministry. Evidences of a Spirit-filled life shall include the fruit of the Spirit, submissive spirit (Ephesians 5:21), prayer life (Romans 8:26; Ephesians 6:18), witnessing (John 15:26-27) and a godly relationship with his family (Ephesians 5:22-33; 6:4). Note: some of these evidences are not specifically mentioned as qualifications (e.g., prayer and witnessing); however, by inference these are qualities that a Spirit-filled individual will manifest.
- c. The Lead Pastor must be a good example to the church, and must therefore joyfully agree to the church covenant both in word and practice, including, but not limited to, demonstrating love for the church and a spirit of unity, a committed prayer life, devotion to his own family, faithful service, cheerful and regular financial support of the ministry, hospitality, and a desire to help others grow to maturity.

2. Selection of Lead Pastor.

In the event that a Lead Pastor needs to be selected, a Pastor Selection Team shall be put in place with the responsibility of prayerfully seeking, interviewing and presenting a candidate to the church membership for prayerful consideration and vote. When possible, the composition of this team should be a reflection of the church in its age, race, and gender. Members of the Pastor Selection Team will be selected and come from the following Teams when possible:

- a. The Pastor Selection Team shall comprise up to eight persons.
- b. The Elder Team will, by selection within their group, provide up to two persons to serve on the Pastor Selection Team.
- c. The Deacon Team will, by selection within their group, provide up to two persons to serve on the Pastor Selection Team.

- h. The Pastor Selection Team will present their first choice to the Elder Team for consideration. The elders shall evaluate the candidate to determine whether he meets the qualifications outlined in Article V, Section 1 and Article VI, Section 3A. If the candidate does not meet these qualifications, the elders will ask for the Team's second choice and so on until a qualified candidate is selected. When a candidate is found that meets these qualifications, the Elder Team shall notify the congregation of the following:
 - i. The name and qualifications of the Lead Pastor candidate.

- ii. The date(s) and time(s) of his visit with the Church.
- iii. The date and time of the second church-wide time of prayer and fasting.
- iv. The date and time of the Special Meeting of the church during which time the church will vote for the candidate as Lead Pastor.
- v. This information shall be given to the Church at least two weeks before the Elder Team formally presents the candidate to the Church for its consideration and action.
- vi. Selection of a Lead Pastor shall be preceded by a time of open discussion by the Church followed by secret ballot, and shall require a 90% affirmative vote of those present and qualified to vote. A candidate called to be Lead Pastor shall be given a time to ask questions about the results of the vote, and shall be given up to four weeks from the time of the vote to declare whether he accepts the offer.

3. Term of Service.

The Lead Pastor shall be called for an indefinite period of time. The Lead Pastor may be removed from office by resignation or grievance. If the Lead Pastor resigns, he must give the church at least 30 days written notice, unless waived by the Elder Team. Where a grievance exists against the Pastor due to alleged conduct on his part unfitting the Lead Pastor, the Elder Team may receive the accusation only when brought by two or more witnesses (1 Timothy 5:19). If the Elder Team, after thorough investigation and consideration, reaches consensus that the grievance is true and substantial, then the Lead Pastor may be recommended for removal from office by a consensus, but not less than two-thirds (2/3) vote of the remaining Elders. Should the Elder Team recommend removal of the Lead Pastor, then the matter shall be brought before the church at a special called meeting. The vote to remove The Lead Pastor shall be by secret ballot and require a 2/3's vote by those present. Upon written notice, and except for justifiable cause, the Church will be obligated to pay full benefits for one (1) month, with at least partial benefits possible for up to six (6) months under extenuating circumstances.

4. Licensing and Ordination.

Licensing and ordination are traditions that provide a means for the Church to set apart and recognize men that God has already set apart for the gospel ministry. The Lead Pastor and Elder Team will do all that they can to determine the genuine call of God on a man's life; therefore, the final decision to license and/or ordain a man shall be preceded by a time of prayer and fasting to determine the Lord's will, and according to the following:

a. Licensing.

- i. The Elder Team may license any man who has shown by his life and has heard the call to the gospel ministry and who meets the qualification of an elder outlined in Article VII.A.
- ii. Any man who is licensed by the Church may be ordained after a minimum period of one year, during which time he shall be observed by the Elder Team to determine that his life and character confirm his call to the gospel ministry.

b. Ordination.

- i. The Elder Team may recommend any qualified and licensed man, as outlined in Article VII.A and VI.A (if applicable), for ordination to the gospel ministry; licensing shall not be a requirement for a man who was recognized as a pastor by another church or denomination that is of like faith, and has at least a one year working relationship with the Lead Pastor and/or member(s) of the Elder Team.
- ii. Upon a man's recommendation for ordination, the Elder Team shall assemble a special ordination council to examine the candidate. The council shall include members of the Elder Team and the Lead Pastor and may include other qualified individuals.
- iii. Upon a majority vote of the ordination council, the candidate shall be presented to the Church for final approval by a simple majority vote. An approved candidate's call to the gospel ministry shall be recognized at a special ordination service. The service shall be announced to the Church at least two weeks in advance and shall be conducted by the Lead Pastor or someone designated by the Lead Pastor.

D. ELDER TEAM

The Elder Team shall consist of the Lead Pastor and a group of biblically qualified men from the membership of the Church. All Elders must recognize that they are the under shepherds of the Church, and are therefore responsible before the Lord to actively shepherd the people of God, loving and caring for them by ministering to them (Acts 20:17-35). It is important for each Elder to recognize that an Elder is not someone who simply occupies a seat of authority, but he is to be a servant that follows Jesus' example (Mark 10:37-45). Elders are responsible to equip the saints for service so that the body will be built up, unified and mature in Christ; the Elder Team must do everything in its

power to preserve the unity of the Church, avoiding such behaviors as divisiveness, pride, selfishness and a critical spirit, all of which dishonor our Lord Jesus Christ (Ephesians 4:1-13).

Each member of the Elder Team will actively serve in specific areas of ministry within the church. The Elder Team shall act as a governing body that shall support the Lead Pastor and other staff in the ministry of the church by providing spiritual counsel and wisdom and that shall provide the pastor a means of accountability as he leads the overall biblical ministry and direction of the church. Members of the Elder Team may or may not be monetarily compensated for their duties. Any compensation shall be decided by the Elder Team and Financial Stewardship Team according to II.G.

Note: some of these evidences are not specifically mentioned as qualifications (e.g., prayer and witnessing); however, by inference these are qualities that a Spirit-filled individual will manifest.
- c. Elders must be good examples to the church, and must therefore joyfully agree to the church covenant both in word and practice, including, but not limited to, demonstrating love for the church and a spirit of unity, a committed prayer life, devotion to his own family, faithful service, cheerful and regular financial support of the ministry, hospitality, and a desire to help others grow to maturity.

The Elder Team shall vote for approval of each candidate after a time of prayer and fasting, being convinced to the best of their ability that the candidate meets the requirements given in articles II.D.1.a-c. A candidate that is approved by the Elder Team will be presented before the congregation for a final vote.

If the Elder Team, after thorough investigation and consideration, reaches consensus that the grievance is true and substantial, then the Elder may be recommended for removal from office by a consensus, but not less than two-thirds (2/3) vote of the remaining Elders. Should the Elder Team recommend removal, then the matter shall be brought before the church at a special called meeting. The vote to remove an Elder shall be by secret ballot and require a 2/3's vote by those present.
